

## Women's economic independence

- ❌ Promote women's employment by effectively enforcing and strengthening EU equality legislation.
- ❌ Guarantee women's economic independence through individual rights to social protection and taxation.
- ❌ Protect all women workers, irrespective of their employment status, including pregnant workers.
- ❌ Combat women's poverty, including in-work poverty, and put an end to the gender pay and pension gaps.
- ❌ Democratise the EU semester process through the participation of the EP and women's organisations.

## A Europe free from violence against women

- ❌ Establish 2016 as the EU Year to End violence against women, with substantial resources to raise awareness and support actions at all levels.
- ❌ Adopt and implement an EU Strategy to end all forms of violence against women in Europe, including prostitution, to end impunity, protect all women and give them access to justice.
- ❌ Establish an EP intergroup on sexual violence.
- ❌ Guarantee universal access to sexual and reproductive health and rights.

## Parity democracy

- ❌ Call on political groups and parties to be inclusive of women and to work towards achieving parity in elections at all levels.
- ❌ Call on EP political groups to nominate one woman and one man as candidate for the European Parliament's presidential elections.
- ❌ Ensure gender parity and non-gender biased portfolios when nominating and appointing MEPs for decision-making positions in the EP.
- ❌ Adopt efficient binding EU-level legislation

## Diverse in equality

- ❌ Measure equality outcomes and impact of new and existing EU policies and legislation, on all women and girls.
- ❌ Improve the EU anti-discrimination law, by extending the EU directive on sex discrimination to all fields of EU competence, and supporting the adoption of a more comprehensive directive addressing discrimination on the grounds of religion or belief, age, disability or sexual orientation.
- ❌ Take into account women's diversity of needs and adopt appropriate measures to combat multiple and intersecting forms of discrimination experienced by women.

## A caring society

- ❌ Develop standards on quality and affordable care services for children, dependent and elderly persons across the life-cycle.
- ❌ Develop a multi-layered approach that focuses on equality in paid and unpaid work to enable both women and men to become equal earners and equal carers throughout their lives.
